

## **Lafayette County Food Pantry Information:**

**Volunteers** are essential to keeping the Pantry going. You may donate your time in several ways. We have three monthly shipments that need to be unloaded and stored at the pantry, we are open two days a week and need volunteers to help on these days, and we need people to drive to Mineral Point, Dodgeville, or Madison to pick up food.

**Items needed** by the pantry include basic non-perishable food: vegetables, fruit, soup, baked beans, Mac-and-cheese, cereal, peanut butter, saltine crackers, tuna, spaghetti sauce, pasta, noodles, and rice. Personal care items like toilet paper, laundry detergent, shampoo, soap, tooth paste, and tooth brushes, are also needed.

Produce from local gardeners can also be donated to the Pantry. Gardeners in the area are encouraged to donate your surplus to the Lafayette County Food Pantry.

**The Lafayette County Food Pantry is located at 1033 N. Main Street, Darlington (next to Images Hair Salon) and is open on Tuesday and Thursday from 10 AM to 3 PM. The phone number is 776-3500.**

Your donations are welcome, all donations are tax-deductible. Donations to the Lafayette County Food Pantry will be stay here to help your neighbors.

If you have any questions you may contact us at the pantry, or contact:
