# INSTRUCTIONS

**Form must be filled out completely or it will be returned to you, which will delay the issuance of the permit. NO EXCEPTIONS!!**

The owner, builder or agent shall complete and provide all required information on the application form down through the Signature of Applicant block. This data is used for statewide statistical gathering on new one and two-family dwellings, as well as for local administration. After completing this application, submit it to the City of Darlington Clerk's Office. Plan review of building inspections may be performed by the Zoning Administrator.

## PERMIT REQUESTED:

- Fill in Owner's name and address. This is the owner's address of the property.
- Fill in Project Location address where the work will be performed if different from Owner address.

## PROJECT DATA:

- Fill in all numbered project data blocks (1-8) with the required information. All data blocks must be filled in, including the following:
  1. **Project Type** – Check only one, either "Residential" or "Non-Residential"
  2. **Type of Repair** – check type of repair you are doing:
    - 1) If it's a **New Building**;
    - 2) If you're adding an **Addition**;
    - 3) Check **Repair** if you're just repairing/replacing;
    - 4) If you are making **Alteration** to the current Building design;
    - 5) **Demolish** is if you're tearing down;
    - 6) **Other** is for all else.
  3. **Permit Requested for** – Select what type of work is being done.
  4. **Foundation** – This is mostly for New Homes; unless you are working on your current Foundation, then check which one applies.
  5. **Living Area** - Include any finished area including finished areas in basements.  
(Size Wide Feet x Size Length Feet)
  6. **Estimated Cost** – Include the total cost of construction, but not cost of land or landscaping.
  7. **New Buildings Only** – Use when you put up a New House or if you are adding on a new bedroom or new bathroom.
  8. **Estimated Date Project to Start** – You must have filed a Building Permit Application before any work is started.
  9. **Applicant's Signature** – This is for the Signature of the person that is requesting the permit. If the Building Contractor is acting as the Owner's Agent, then the Contractor's signature is required; otherwise, the Owner's signature is required.
