

Next week's operations (April 19th thru April 23rd):

- River Street intersection south of the bridge:
 - Crew will continue installing water main, sanitary sewer, and storm sewer at the intersection
 - **WIS 23 Flagging 8 am-7 pm all week as necessary – EXPECT DELAYS**
 - **CTH F / West River St will be CLOSED at WIS 23 starting Monday, April 19th thru Friday, May 7th – emergency vehicle access only**
 - **East River St will remain CLOSED thru Friday, May 7th**

- Bridge to Louisa St:
 - Pipe crew will continue water main installation
 - **Alice St will remain CLOSED on the east side of Main St - access to Casey's will remain open on Alice St, just east of the barricades**
 - **Ann St will remain CLOSED on the east side of Main St**
 - **Water service replacements likely to start late in the week for properties on the east side of Main St from the Bridge to Ann St**
 - **48-hour notification will be given to property owners for planned water outages**

- Louisa Street to Harriet Street:
 - Crew may start removing pavement, especially if there is a rain day and they can't work on water & sewer

- Harriet Street to Minerva Street:
 - No work planned next week at this time
