November 2021

As 2021 draws to a close, the Darlington Chamber/Main Street Board and myself, would like to thank all of our members who have contributed to keeping Darlington going this year.

As your new director I can certainly tell you I am proud to represent Darlington. The community and businesses have encountered many obstacles with the construction project. As the first phase of the project nears completion, we are excited to reopen our main street for all to visit. My primary focus for 2022 will be to reintroduce Darlington and strive to gather more visitors to our town.

Your continued support to the chamber enables us to stimulate the local economy through programs, events, and services. Our Chamber/Main Street Program is volunteer-based and we understand that sometimes things are not in our control, but if we all work together instead of on the sidelines, we can help Darlington grow through new ideas, new business, new events, and new volunteers.

Darlington Chamber/Main Street is visible with Facebook, Instagram, website, newspaper and radio promotions; general meetings with guest speakers; Chamber Gift Certificates; Darlington Savings Cards; multiple Visitor Guides; Promoting Main Street and festival grounds through decorating for the seasons; and special events, which include:

City Wide Garage Sales • Cinco de Mayo • Tunes at Twilight

Fall in Love With Darlington • Witches, Warlocks & Wine • Small Business Saturday

Christmas Promotion Weekends, Parade, and Events throughout the Holiday Season

At this time, I hope that you will continue your membership or become a new member with Darlington Chamber/Main Street for 2022. I have included a membership application and other information. I truly am looking forward to having you on my TEAM! Thank you for supporting our organization, community, and Darlington!

It's a great day to join us as we look forward to a bigger and better 2022!

Sincerely,

Kristen May,

Executive Director
