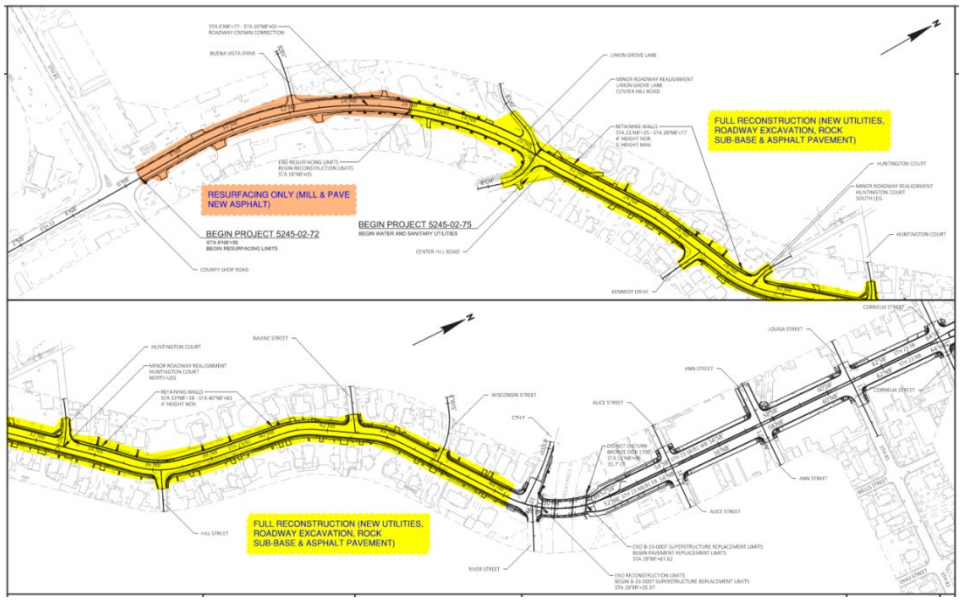
MARCH 14TH – 18TH

- **WIS 23/Galena St CLOSED Monday morning March 14th around 9:00/10:00 AM (will remain open for the school rush hour)**
  - **Limits of closure: just north of WIS 81/County Shop Rd to just south of River St/CTH F**
- Storm sewer concrete pipe and structures will be delivered to the site
- Crew will start removing the west half of concrete pavement on Galena Street, starting at River St and working south
- Crew will be cutting down trees and grinding stumps starting Wednesday and hoping to finish Friday
- Later in the week, crew planning to start installing storm sewer pipe just south of River St and working south up the hill (dependent on amount of frost in ground)

FOLLOWING 2 WEEKS, MARCH 21ST – APRIL 1ST


- Crews will continue with pavement removal and storm sewer up the hill to the south
- Utility crews scheduled to finish transferring aerial lines to new poles
